Re: Career Technical Education (CTE) Advisory Committee

Staff will be submitting a board item in the near future requesting the Board appoint a CTE advisory committee. Per Board Policy 6178, Career Technical Education, Advisory Committee:

The Board shall appoint a CTE advisory committee to develop recommendations on the district's CTE program and to serve as a liaison between the district and potential employers. The committee shall consist of one or more representatives of the general public knowledgeable about the disadvantaged; students; teachers; business; industry; school administration; and the field office of the California Department of Employment Development. (Education Code 8070)
