**DATE:** February 3, 2017  
**TO:** Board of Trustees, and Dr. Karen Janney, Superintendent  
**FROM:** Moisés G. Aguirre, Assistant Superintendent of Facilities & Operations  
**RE:** Expenditures on Door Replacements

---

At the March 14, 2016, Board of Trustees meeting, the Board requested information about the door replacement expenditures for the past three years.

The Purchasing Department compiled the attached table that lists door bids going for public bid. The time period for this information is from 2007-08, through December, 2016.

Additionally, our Locksmith Supervisor reports that doors that are beyond repair are cut up and disposed in the dumpster. Metal doors are placed in the district metals salvage area. Salvaged doors are used from time-to-time or resold.

Regarding the hardware, it is removed from doors and stored for possible use as repairs. If they are not usable, the hardware is placed in the salvaged or resale area. Staff in the Maintenance Department makes efforts to reuse when appropriate, however, in many instances, the hardware is not usable.

If you have any questions, please feel free to contact me at: [moises.aguirre@sweetwaterschools.org](mailto:moises.aguirre@sweetwaterschools.org).

Enc.

**REPLACEMENT OF DOORS AND HARDWARE  
BID TRACKER  
FISCAL YEARS 2007/2008 – 2016/2017**
